**CONDITIONS OF BUSINESS (ON-LINE)**

**Information for Buyers**

**1. Introduction**

1.1 The following informative notes are intended to assist Bidders and Buyers and form part of the Conditions of Sale and the Terms of Consignment for Sellers, which are readily available for inspection on our web-site ([www.machinery.co.uk](http://www.machinery.co.uk)) and terms of interest to Bidders and Buyers will be set out in the standard and accepted these terms and conditions prior to bidding. Our staff will be happy to help you if there is anything you do not fully understand.

1.2 Please refer to Clause 1 of the Conditions of Sale if you are unsure about the meaning of any deposit equivalent to the UK standard rate of VAT may be taken in some circumstances entirely at the discretion of the Auctioneers. Once all the required evidence of removal from the UK has been provided within the time limits, this Deposit will be refunded to the

1.3 Except where the context otherwise requires words denoting the singular include the plural and vice versa. include corporations and vice versa.

1.4 The Auctioneers may supplement or supersede these Conditions in whole or part with Special Conditions applying to the Auctions for sellers that which will be set out in the Conditions of Sale. No employee or agent of the Auctioneers has any authority to vary these Conditions.

**2. Buyers Premium**

2.1 All purchases will be subject to a buyer's premium as stated in the foreword or special conditions on a VAT Deposit equivalent to the standard UK rate of VAT. This amount of VAT Deposit will be refunded to the overseas purchaser if the Auctioneers receive satisfactory evidence of removal from the UK within the required time limit. Details of the evidence required and the time limits are available from the Auctioneers office and will include original copies of the relevant Export Lodgement Advice and a satisfactory Bill of Lading or Certificate of Shipment clearly identifying the goods. If acceptable documents are not received within the relevant time limits, the VAT Deposit will be paid directly to HMRC as VAT.

2.2 VAT at the standard rate will be charged on all charges except those detailed in 4.2 below.

**3. Entry to the Sale Site**

3.1 Any person entering the Sale Site does so at their own risk.

3.2 Any person entering the Sale Site must comply with the requirements of all Health and Safety notices for the Seller, the Auctioneers are primarily dependant on the information provided by the Seller and any statement, written or verbal, made by the Auctioneers in connection with the goods, origin, date, age, provenance, condition or estimated selling price, including condition reports which may be provided at the Buyer's request, is a statement of opinion held by the Auctioneers. It is, however, deemed that prospective Buyers have inspected the Lots on which they intend to bid at pre-arranged viewings. Accordingly, the Auctioneers accept no liability for the condition of the goods sold.

3.3 The Auctioneers reserve the right to refuse admission to any person or entry of any Lots in connection with the goods, origin, date, age, provenance, condition or estimated selling price, including condition reports which may be provided at the Buyer's request, is a statement of opinion held by the Auctioneers. It is, however, deemed that prospective Buyers have inspected the Lots on which they intend to bid at pre-arranged viewings. Accordingly, the Auctioneers accept no liability for the condition of the goods sold.

**4. Value Added Tax**

4.1 VAT at the standard UK rate will be added to the hammer price on all Lots unless the Lot is sold under the Margin Scheme when VAT will not be added separately to the hammer price. Under the Margin Scheme VAT will not be added separately to the hammer price. The Auctioneers may choose, entirely at their discretion, to mark items as 'zero-rated' or 'exempt' items which will be marked in the catalogue with either a 'Z' or an 'E' and will not attract VAT. Prospective Purchasers should check the catalogue for the correct VAT status of the items.

falls. Full details of both the Margin Scheme and the Auctioneers' Margin Scheme can be found on the [www.hmrc.gov.uk](http://www.hmrc.gov.uk) notices 718, 718/1 and 718/2.

4.2 Purchasers from the European Community countries outside the UK who are registered for VAT or its equivalent in their member state will be required to supply the Auctioneers with their VAT/FISCAL number and a copy of their VAT registration certificate. Once the VAT number and customer details have been checked by the Auctioneers with the Europa website, any standard rated items, together with any Buyer's Premium charged thereon, may be zero rated for UK VAT purposes. The zero rating of items purchased is also subject to the auctioneers receiving valid proof that the items have been removed from the UK and

4.3 Overseas Purchasers, from countries outside the European Community, will be required to pay a VAT Deposit equivalent to the standard UK rate of VAT. This amount of VAT Deposit will be refunded to the overseas purchaser if the Auctioneers receive satisfactory evidence of removal from the UK within the required time limit. Details of the evidence required and the time limits are available from the Auctioneers office and will include original copies of the relevant Export Lodgement Advice and a satisfactory Bill of Lading or Certificate of Shipment clearly identifying the goods. If acceptable documents are not received within the relevant time limits, the VAT Deposit will be paid directly to HMRC as VAT.

4.4 The Auctioneers may supplement or supersede these Conditions in whole or part with Special Conditions applying to the Auctions for sellers that which will be set out in the Conditions of Sale. No employee or agent of the Auctioneers has any authority to vary these Conditions.
