	5. Description and Condition of Lots		
	5.1 As agents for the Seller, the Auctioneers are primarily dependant on the information provided by the Seller. The following methods of payment, made by the Auctioneers in respect of any Lot as to genuineness, origin, date, age, provenance, condition or estimated selling price, including condition reports which may be provided at the Buyer's request, is a statement of opinion held by the Auctioneers. It is, however, deemed that prospective Buyers have inspected the Bank of Ireland - they intend to bid on a Buy-Now basis. For this reason, the Auctioneers accept bids from potential Buyers on the basis that the Buyers (or their advisors) have fully inspected the goods prior to bidding and have satisfied themselves prior to bidding in relation to the condition and accuracy of the description of the Lot.
