6.1 The Auctioneers and/or the Vendor reserve the right to fix a Reserve Price for any Lot and withdraw that lot in the event that the highest bid does not meet the reserve.

6.2 The Vendor may bid for any Lot either personally or through the Auctioneers or through any other person as many times as the Vendor thinks fit and may withdraw any Lot at any time before the sale of such Lot.

6.3 The Auctioneers may without giving any reason refuse to accept bidding of any person. In the case of a dispute as to any bid, the auctioneers may forthwith determine the dispute or put up the Lot again at the last undisputed bid or withdraw the Lot.

6.4 No person may advance less at a bid than a sum to be named from time to time by the Auctioneers nor be allowed to retract a bid.

6.5 Bids shall be made exclusive of any VAT or Service Charge/Buyers Premium which may apply

7. AUCTIONEERS AS AGENT FOR VENDOR

7.1 The parties to the contract of sale are the Vendor and Purchaser

7.2 The Auctioneers sell as Agent for the Vendor and as such are not responsible for any default by the Vendor or Purchaser.

7.3 In the event that a purchase fails to pay the purchase price for the Lot in accordance with these Conditions and the Auctioneers have previously advanced to the Vendor of such Lot an amount representing such purchase price the Vendor shall forthwith at the request of the Auctioneers assign all and any of his rights against the Purchaser in respect of the unpaid purchase price to the Auctioneers and shall execute such documents as may be required by the Auctioneers to give effect to such assignment and further, shall give reasonable co-operation to the Auctioneers in any action, claim or proceeding brought or threatened by the Auctioneers against the Purchaser.

8. REMOVAL OF LOTS FROM SALEGROUND

8.1 All Lots whether sold or unsold may not be removed from the Saleground without a pass for the removal of Lots. Passes can be obtained from the Auctioneers office. All Lots must be checked out by the Security Staff.

8.3 All Lots purchased must be cleared from the Saleground within 14 days of the date of the Sale in which they were purchased unless alternative arrangements have been made with the auctioneers 8.4 Any Lot which (without the express written consent of the Auctioneers) has not been collected within 6 calendar months from the day on which it was sold or last offered for sale will be deemed to be abandoned and the auctioneers will be entitled to dispose of such abandoned Lots at their unfettered discretion. For the avoidance of doubt, any monies arising from such disposal(s) will be paid to and retained by the

Auctioneers.

9. DETAILS OF PURCHASERS

All Purchasers are required to register before the auction at the Auctioneers Office, whether or not the Lots which they purchase are to be removed on the day of the Sale.

10. EXCLUSION OF LIABILITY

10.1 The Auctioneers shall not be liable for any expense, loss, claim or proceedings in any respect of any loss or damage whatsoever to any property real or personal (including all Lots which remain at the Vendorâ€[™]s risk until risk passes to the Purchaser in accordance with clause 18.3 below) whether incurred before, during or after the Sale.

10.2 The Auctioneers shall not be liable for any expense, loss, claim or proceedings in respect of personal injury to or death of any person arising out of or in the course of or caused by the Sale, except to the extent that the same is due to the negligence of the Auctioneers, their servants or agents.

11. PAYMENT

11.1 All Lots must be paid on the day of the Sale by the Purchaser. All lots purchased through Cheffins Internet bidding must be paid within 1 week of the relevant sale day.

11.2 As provided by the Late Payment of Commercial Debts (Interest) Act 1998, the Auctioneers reserve the right to charge the Purchaser(s) interest at 8% above the prevailing base rate set at that time by the Bank of England for any unpaid account.

11.3 If an account remains unpaid and legal action is taken the auctioneers reserve the right to demand in full from the purchaser all legal and professional fees owing from such action.

12. INSPECTION OF GOODS

All Lots are sold with all faults and imperfections and errors of description. Purchasers should satisfy themselves prior to the sale of the Lots as to the condition of each Lot and should exercise and rely on their own judgement as to whether the Lot accords with its description. Neither the Auctioneers, their servants or agents are responsible for errors of description or for the genuineness or authenticity of any Lot. No warranty is given by the Auctioneers, their servants or agents or by any Vendor to any Purchaser in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law.

13. REPLACEMENT OR ALTERATION OF LOTS

Any Lot in the Sale marked with a Lot number followed by an "X― denotes that the description of that particular Lot is different from the original Lot as shown in the catalogue. This Lot may be a replacement

T&Cs Jul14.gxp9 Layout 1 19/06/2014 12:05 Page 3

of the original as catalogued or there maybe an alteration of it's description. Therefore, any items marked with a Lot number followed by an "X― must not be connected with the original Lot number in the catalogue and its description will be absolutely as given out by the Auctioneer at the time of the Sale.

The addition of an $\hat{a} \in \mathfrak{C} \times \hat{a} \in \mathfrak{O}$ to a Lot will cancel the original entry as shown in the catalogue.

14. AUCTIONEERS' RIGHT TO ANNUL SALES

In the event of any dispute or refusal to pay or of non-payment of the part of the Purchaser, the Auctioneers may, entirely at their discretion, annul and cancel the sale of such Lot or Lots.

15. COMPLIANCE WITH ROAD TRAFFIC ACTS

The Purchaser of any vehicle or trailer is responsible for complying with all legal requirements as to the construction and the use of such vehicle or trailer and for obtaining all certificates, permits or other authorisations necessary before such vehicle or trailer can be used on the road.

16. HEALTH AND SAFETY AT WORK ACT 1974 AND ALL OTHER ACTS AND REGULATIONS APPLICABLE TO

FARM SAFETY

16.1 The Purchaser of any Lot(s) is responsible for complying with all legal requirements as to the safe use of Lot(s) purchased at the Sale and shall ensure compliance with all relevant legislation relating to the safe use of Lot(s).

16.2 The Auctioneers description and knowledge of the Lot(s) is initially dependant on the information provided by the Vendor. The Auctioneer does not carry out exhaustive due diligence on each

Lot(s). The information supplied about the Lot(s) is not a representation of fact but a statement of opinion on the basis of the evidence reasonably available. Purchasers acknowledge these points and accept responsibility for carrying out inspections and investigations to satisfy themselves as to the Lot(s) in which they may be interested.

16.3 Where the Vendor has declared any health and safety issues regarding a Lot or the Auctioneers have become aware of any such issues, details of the matter will be given out at the time of sale by

the Auctioneer

16.4 It will be the Purchasers responsibility to satisfy themselves as to the health and safety matters. Bidders including the Purchaser acknowledge that Lots have generally been used and many are of an age and type which means they are not in perfect working condition. As such they may not comply with current health and safety legislation and may have faults not expressly referred to in the catalogue or the other information that may be available on individual Lots from the Auctioneers.

16.5 The Purchaser must satisfy himself prior to bidding for any Lot as to its condition and should exercise and rely on his own judgement as to whether the Lot accords with its description. The Auctioneers shall have no liability for the accuracy of the description of any Lot. Unless otherwise stated, no warranty is given by the Auctioneers to the Purchaser in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law. It is the Purchasers responsibility to check the Lot and ensure that its subsequent use is compliant and that

identified health and safety concerns are rectified.

17. TRADES DESCRIPTION ACT 1968

The Vendor is reminded that under the terms of the Trade Description Act 1968 the Vendor of any Lots to which a false description is applied may be guilty of a criminal offence punishable by fine or imprisonment.

18. RESERVATION OF TITLE

18.1 If the Auctioneers allow the Purchaser to remove the Lot from the Saleground before the Purchaser has made full payment for the Lot then title to the Lot shall remain vested in the Vendor.18.2 If the Auctioneers pay the Vendor the price of the Lot before the purchaser has paid the price to the Auctioneers, title to the Lot shall pass to the Auctioneers and shall remain with the Auctioneers

until full payment has been made by the Purchaser to the Auctioneers, when title shall pass to the Purchaser.

18.3 Notwithstanding that the title has not passed to the Purchaser, the Purchaser will be solely responsible for the lots standing in the yard immediately upon sale (the fall of the hammer).

18.4 The Purchaser shall until payment has been made in full keep the Lot in good marketable condition and

readily identified and shall indemnify the Vendor or the Auctioneers as the case may be for any damage.

18.5 In the event of any sale by the Purchaser of a Lot before full payment has been made the Purchaser shall hold the proceeds of such sale on trust for the Vendor or the Auctioneer (as the case may be) and shall pay such proceeds into a separate identifiable bank account.

18.6 At the time before the title to the Lot has passed to the Purchaser, the Vendors or the Auctioneers (as the case may be) including the Auctioneers acting as agents for the Vendor, shall have the right to enter upon the Purchasers property for the purposes of recovering the Lot.

19. GOVERNING LAW AND JURISDICTION

For the avoidance of doubt all contracts entered into between the Purchaser and Vendor and between either of them and the Auctioneers on the basis of these standard terms and condition of business are governed by the laws of England and Wales and the parties hereby submit to the non-exclusive jurisdiction of the English Courts.
