3. Entry to the Sale Site

3.1 Any person entering the Sale Site does so at their own risk.

3.2 Any person entering the Sale Site must comply with the requirements of all Health and Safety notices.

3.3 The Auctioneers reserve the right to refuse admission to any person or entry of any Lots in to the Sale without giving any reason.

4. Value Added Tax

4.1 VAT at the standard UK rate will be added to the hammer price on all Lots unless the Lot is sold under either the Margin Scheme (including second hand vehicles) or the Auctioneersâ[™] Margin Scheme when VAT will not be added separately to the hammer price. Under the Margin Scheme or the Auctioneersâ[™] Margin Scheme, the Buyerâ[™] Premium will be shown inclusive of VAT which cannot be reclaimed as input tax. The Auctioneers may choose, entirely at their discretion, to use one or both of these Schemes in any Auction for eligible items. Lots included under one of these schemes will be marked in the catalogue with either an â[™]Mâ[™] or an â[™]Aâ[™]. The only other exception will be in the case of â[™] zero-ratedâ[™] or â[™] exemptâ[™] items which will be marked in the catalogue with either a â[™]Zâ[™] or an â[™]Eâ[™] and will not attract VAT. Prospective Purchasers should check with the Auctioneers before bidding if they are unsure in to which category any Lot falls. Full details of both the Margin Scheme and the Auctioneersâ[™] Margin Scheme can be found on the HMRC websiteÂ[™] www.hmrc.gov.uk notices 718, 718/1 and 718/2.

4.2 Purchasers from the European Community countries outside the UK who are registered for VAT or its equivalent in their member state will be required to supply the Auctioneers with their VAT/FISCAL number and a copy of their VAT registration certificate. Once the VAT number and customer details have been checked by the Auctioneers with the Europa website, any standard rated items, together with any Buyerå€TMs Premium charged thereon, may be zero rated for UK VAT purposes. The zero rating of items purchased is also subject to the auctioneers receiving valid proof that the items have been removed from the UK and delivered to the Purchaserâ€TMs address in another EU member state within the required time limits. If acceptable evidence is not received within these time limits, VAT at the standard UK rate will become payable and will not be recoverable by the purchaser. Details of the evidence required and the time limits are available from the Auctioneerâ€TMs office. A VAT Deposit equivalent to the UK standard rate of VAT may be taken in some circumstances entirely at the discretion of the Auctioneers. Once all the required evidence of removal from the UK has been received within the time limits, this Deposit will be returned to the Purchaser. If the evidence is not received on time or is insufficient, the VAT Deposit will be paid over to HMRC as VAT. Where any of the above VAT registration information is not made available to the Auctioneers or where the Purchaser is not VAT registered for VAT in their member state, VAT at the standard UK rate will be charged on all standard rated items and this will not be recoverable.

4.3 Overseas Purchasers, from countries outside the European Community, will be required to pay a VAT Deposit equivalent to the standard UK rate of VAT. This amount of Vat Deposit will be refunded to the overseas purchaser if the Auctioneers receive satisfactory evidence of export within the required time limit. Details of the evidence required and the time limits are available from the Auctioneers office and will include original copies of the relevant Export Lodgement Advice and a satisfactory Bill of Lading or Certificate of Shipment clearly identifying the goods. If acceptable documents are not received within the relevant time limits, the VAT Deposit will be paid directly to HMRC as VAT.

5. Description and Condition of Lots

5.1 As agents for the Seller, the Auctioneers are primarily dependant on the information provided by the Seller and any statement, written or verbal, made by the Auctioneers in respect of any Lot as to genuineness, origin, date, age, provenance, condition or estimated selling price, including condition reports which may be provided at the Buyer's request, is a statement of opinion held by the Auctioneers. It is, however, deemed that prospective Buyers have inspected the Lots on which they intend to bid at pre-sale viewings. Accordingly, the Auctioneers accept bids from potential Buyers on the basis that the Buyers (or their advisors) have fully inspected the Lot prior to bidding and have satisfied themselves prior to bidding in relation to the condition and accuracy of the description of the Lot.

The nature of the Lots sold at Auction is such that they will rarely be in perfect condition and are likely, due to their nature and age, to show signs of wear and tear, damage, or other imperfections, restoration or repair. Any reference to condition by the Cheffins will not amount to a full description of condition. Photographs included in Cheffinsâ€[™] sale catalogues or on the website, are not representative of the condition of any Lot.

All Lots are sold $\hat{a} \in$ as seen $\hat{a} \in \mathbb{M}$ with all faults and errors of description. Purchasers should satisfy themselves prior to the sale as to the condition of each Lot and should exercise and rely on their own judgement as to whether the Lot accords to its description. Neither the Auctioneers, their servants nor agents are responsible for errors of description or for the genuineness or authenticity of any Lot. No warranty is given by the Auctioneers, their servants or by any Vendor to any Purchaser in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law.

Cheffins draw the Buyer's attention to the exclusion of liability for the condition of Lots contained in the Conditions of Sale. Neither the seller nor Cheffins as the Auctioneers, accept any responsibility for the condition of any Lot.

5.3 Certain machines could contain hazardous substances such as blue and white asbestos, dangerous chemicals and other hazardous substances which, if not handled correctly and disposed of correctly, could be in breach of Health and Safely at Work Act 1974, Control of Substances Hazardous to Health Regulations 1988 (COSHH) or other current legislation. The buyer undertakes to handle and dispose of correctly, any toxic chemicals and dangerous substances and to indemnify the Auctioneers against any failure to observe these undertakings.

6. Bidding

6.1 Bidders at the Cambridge Machinery Saleground will be required to register for a Permanent Purchasers' Registration Number before bidding at the auction. Proof of identification (photographic identification and proof of current address) will be required at the time of registration if the Bidder is unknown to Cheffins together with a one-off, non-refundable fee of ţ20 (incl.VAT). Bidders at other sale venues will need to register in person for a temporary bidding number if not in possession of a Permanent Purchasers' Registration Number. Proof of identification (photographic identification and proof of current address) will be required at the time of registration if the Bidder is unknown to Cheffins

Lots will only be invoiced to the name and address on the Purchasers Registration Form and cannot be transferred to another name and address. Cheffins can only accept payment from the registered Bidder

6.2 There are several alternatives to bidding in person at the Sale Site at the time of the sale.

Commission Bids may be left with the Auctioneer by a Bidder indicating the maximum amount to be bid (excluding VAT and Buyers Premium and any other charges which may apply). Subject to the reserve price of the Lot and any other bids received, the sale may be concluded for less than the maximum bid. The Bidder will not have any claim against the Auctioneers or their employees if for any reason the commission bid is not executed. If two bidders submit identical bids, the Auctioneers will endeavour to ensure the first bid received has priority.

Bidders are able to bid on the internet in certain sections of the sales by registering on Cheffins on-line live bidding platform. Registration closes 24 hours prior to each auction. All new Bidders or Bidders unknown to the Auctioneers will be required to pay a refundable deposit of between ţ250 and Å£2,500 (variable dependent on sale type) via their debit card prior to bidding. A 1% plus VAT surcharge based on the hammer price will be added to all purchases made through the on-line bidding platform.

The Auctioneers reserve the right to refuse any bid in any form entirely at their discretion.

6.3 Pre-sale Estimates

Pre-sale estimates are intended as a guide to help Buyers gauge approximate prices for the purchase of a particular Lot. The actual Hammer Price realised at auction may be higher or lower than the pre-sale estimate. The lower estimate may represent a reserve price which the Auctioneers have agreed with the Seller. Pre-sale estimates do not include Buyerâ€[™]S Premium or VAT. Estimates printed in the sale catalogue are prepared some time before the sale and may be altered by announcement prior to the auction. It is advisable for the Buyer to consult the Auctioneers nearer the time of the auction for any updates or revisions of pre-sale estimates.

Â

9.3 Any Lot which, without the express written consent of the Auctioneers, has not been collected within 6 months from the day on which it was last sold or last offered for sale will be deemed to have been abandoned and the Auctioneers will be entitled to dispose of such abandoned Lot(s) at their unfettered discretion. For the avoidance of doubt, any monies arising from such disposal(s) will be paid to and retained by the Auctioneers.

Â

9.4 Lots purchased at Cheffins on-site sale venues will be subject to special collection/clearance terms which will be published in the appropriate auction catalogue.

Where, in Cheffins' opinion, an item is unsaleable, the Seller must collect/remove such items from the sale site promptly on being so informed and in any event within 14 days of such notification.Â

Â

16.3 Alternatively, unsold items may be collected by the Seller within 14 days of the sale in which the Lot was last entered, subject to payment by the Seller of any expenses due to Cheffins.

Â

16.4 Cheffins may, at its absolute discretion, withdraw an item from sale if it reasonably believes that the warranties given by the Seller under the Conditions of Business in relation to that item may be breached, or if they become aware of an actual breach of the warranties in relation to any item. Cheffins will notify the Seller if the Seller's property is withdrawn from sale. The Seller must collect its property promptly on being so informed and in any event within 10 days of such notification.

Â

16.5 For the avoidance of doubt, unsold and withdrawn Lots will not be released to the Seller until all fees and expenses, due to the Auctioneers under these Terms of Consignment for Sellers, have been paid in full to Cheffins by the Seller.

Â

16.6 All Lots brought to the sale site must be offered for sale by auction and must not be sold privately before the sale. In the event that any private transactions take place following a sale whilst the Lot(s) remain on the sale site, they must be notified to the Auctioneers. Such transactions will be treated as a sale of the Lot(s) by the Auctioneers.

Â

16.7 Lots withdrawn by the Seller after specific advertising by Cheffins and/or the printed catalogue and/or the website has been published will be treated as a sale of the Lot(s) by the Auctioneers and the appropriate fees will apply.

Â

17. Transport and Storage

Â

17.1 The Seller is solely responsible for packing and delivery of their property to Cheffins prior to sale, and for collection in the event the property is unsold. Cheffins may agree with the Seller to arrange for a third party shipper at the Seller's expense. Any expenses incurred by Cheffins in relation to transport of Seller's property will be chargeable to the Seller.

Â

17.2 Cheffins is not liable for any loss or damage to any property caused by any third party in relation to handling, packing, transport or storage.

Â

17.3 Any Lot sold or unsold which, without the written consent of the Auctioneers, has not been collected within 6 calendar months from the day it was last sold or offered for sale, will be deemed to have been abandoned and the Auctioneers will be entitled to dispose of such abandoned Lot(s) at their unfettered discretion. For the avoidance of doubt, any monies arising from such disposal(s) will be paid to and retained by the Auctioneers.

Â

18. Auctioneers Right to Annul Sales

Â

In the event of any dispute or refusal to pay or of non-payment on the part of the Buyer, the Auctioneers may, entirely at their discretion, annul and cancel the sale of such Lot or Lots.

†Lots'Â means all machinery and other items sold or intended to be sold in accordance with these conditions.

â € Net Sale Proceedsâ € MÂmeans the Hammer Price of the Lot sold (as received by Cheffins in full and cleared funds from the Buyer), less any Sellerâ € Ms Commission, Entry Fees, and any other expenses pavable by the Seller to Cheffins in accordance with the Terms of Consignment for Sellers.

The singular includes the plural and vice versa as appropriate.

2. Inspection of Lots

All Lots are sold $\hat{a} \in as$ seen $\hat{a} \in m$ with all faults and errors of description. Purchasers should satisfy themselves prior to the sale as to the condition of each Lot and should exercise and rely on their own judgement as to whether the Lot accords with its description. Neither the Auctioneers, their servants or agents are responsible for errors of description or for the genuineness or authenticity of any Lot. No warranty is given by the Auctioneers, their servants or agents or by any Seller to any Buyer in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law.

3. Bidding

3.1 Bidders are required to register their details before bidding and to supply any information or references required by Cheffins before the auction in which they intend to bid or before Cheffins will accept any other form of bid, whether by commission, telephone or otherwise. Proof of the Bidder's identification (photo identification and proof of current address) will be required at the time of registration.

3.2 The Bidder with the highest bid accepted by the Auctioneer conducting the sale shall be the Buyer at the Hammer Price.

3.3 Bidders shall be deemed to act as principals and require Cheffins' written consent at the time of Bidder registration to bid as agent for another party. Bidders are personally liable for their bid and jointly and severally liable with their principal if bidding as agent (whether or not Cheffins has consented to the Bidder acting as agent).

3.4 Lots will only be invoiced to the name and address of the Bidder on the Bidder registration form and cannot be transferred to another name and address. Cheffins can only accept payment for the Lot from the registrated Bidder.

3.5 The Auctioneers and/or the Seller reserve the right to fix a Reserve Price for any Lot and to withdraw that Lot in the event that the highest acceptable bid does not meet with the reserve. Some Lots will therefore be offered subject to a Reserve Price agreed between Cheffins and the Seller. The Reserve Price shall be no higher than the low pre-sale estimate, if given, of the Lot at the time of the auction.

3.6 Cheffins expressly reserves the right to bid on behalf of the Seller up to the amount of any reserve. The Auctioneer has the discretion to refuse any bid from any Bidder without giving any reason, and to withdraw or re-offer any Lot if the Auctioneer believes there has been an error or dispute. Any dispute about a bid shall be settled at the Auctioneer's absolute discretion, the Auctioneer acting reasonably at all times.

3.7 The Seller may bid for any Lot up to but not beyond the agreed reserve, either personally or through the Auctioneers or through any other person, as many times as the Seller thinks fit and may withdraw any Lot at any time before the sale of such Lot subject to the conditions at Clause 16 in the Terms of Consignment for Sellers.

3.8 Bidding increments shall be at the Auctioneer's sole discretion. By way of example only, Cheffins bidding increments may be:

£500 - £1000Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â

£1000 - £2000Â Â Â Â Â Â Â Â Â Â Â Â

£2000 - £5000Â Â Â Â Â Â Â Â Â Â Â Â

£5000 - £10000 £500

£10000 - £20000 £1000

Cheffins is not bound to implement any of the above increments

3.9 No person may advance less at a bid than a sum to be named from time to time by the Auctioneers nor be allowed to retract a bid.

3.10 Bids shall be made exclusive of any VAT or Buyers Premium which may apply.

3.11 Cheffins' knowledge in relation to any Lot is dependent on information provided by the Seller of the Lot. Cheffins is not able to and does not carry out exhaustive due diligence on each Lot.

Bidders acknowledge this fact and accept responsibility for carrying out inspections and investigations to satisfy themselves as to the Lots on which they bid.

3.12 Each Lot offered for sale at Cheffins is available for inspection by Bidders prior to the auction. Cheffins accepts bids by any means on the basis that Bidders (and/or independent advisors acting on the Bidder〙s behalf) have fully inspected the Lot prior to bidding and have satisfied themselves prior to bidding as to both the condition of the Lot and the accuracy of its description. All Lots are offered for sale in the condition they are in at the time of auction.

3.13 Sale catalogues, catalogue illustrations and condition reports are for information purposes only and do not necessarily convey the full information regarding any Lot. Information provided to Bidders or their advisors prior to the sale in respect of any Lot, whether written or oral and including any information in the sale catalogue or condition or other report, is a statement of opinion honestly held by Cheffins and is not a statement of fact

3.14 Subject to the conditions in paragraphs 3.11, 3.12 and 3.13 above, Cheffins exercises reasonable care when making statements of opinion consistent with its role as auctioneers on the basis of information provided by the Seller and the generally accepted opinions of relevant experts (at the time any such expert expressly states such opinion). Cheffins is in no way required to seek the opinion of any expert outside Cheffins.

3.15 A sale contract is made directly between the Buyer and the Seller on the fall of the Auctioneerâ ETMs hammer, following which the Buyer becomes liable to pay the Purchase Price.

4. Other Types of Bids

4.1 Subject to the conditions set out in paragraph 3 above, Cheffins will, if so instructed by a Bidder clearly in writing not less than 2 hours prior to the Auction beginning, execute bids on the Bidderâ€[™]s behalf by commission bid. Where applicable, if two Bidders submit identical bids, the Auctioneer will endeavour to ensure the first bid received has priority.

4.2 In some auctions the Bidder can register, not less than 24 hours prior to the auction beginning, to bid during the auction by telephone or online. Prospective Bidders should check with the Auctioneers whether this service is available for any auction.

4.3 Neither the Auctioneer nor its employees or agents shall be responsible for any failure to execute any instructions to bid for any reason, including but not limited to technical failures of phones or online connections.

5. Value Added Tax

5.1 Value Added Tax on the Hammer Price is imposed by the laws of England and Wales on all items upon which VAT is due. It will also be charged and shown separately on the Buyer's Premium on these Lots which will be identified in the Auctioneer's catalogue with a symbol †v'. Buyers from outside of the UK should refer to †information for Buyers' for a brief explanation of the VAT position as far as they are concerned.

5.2 Value Added Tax will not be charged on the Hammer Price of Lots entered under either the †Margin Scheme' (including second-hand cars) or the †Auctioneers Margin Scheme'. VAT will be charged on the Buyer's Premium but will be shown as an inclusive amount and will not be recoverable. These Lots will be identified in the Auctioneer's catalogue by the symbol

â€m' or â€a'. The same rule will apply to any zero rated Lots which will be identified in the Auctioneers catalogue by the symbol â€z'.

5.3 Sellers of Lots entered under either the †Margin Scheme' (including second-hand cars) or the †Auctioneers Margin Scheme' must provide signed confirmation to the Auctioneers that Input VAT could not, has not and will not be reclaimed against these items. VAT charged on the Seller's Commission and Entry Fees will be shown separately in respect of Lots entered under the †Margin Scheme' and inclusive in respect of Lots entered under the †Auctioneers Margin Scheme'. Zero rated Lots will be treated in the same way as †Margin Scheme' Lots.

6. Payment

6.1 All Lots purchased in the sale must be paid for on the day of the Auction by the Buyer.

6.2 All Lots purchased through the on-line bidding platform must be paid for within 1 week of the relevant Auction day.

6.3 All Lots purchased by †Private Treaty' must be paid for within 1 week of the sale being agreed.

6.4 Any payments made by the Buyer to Cheffins may be applied by Cheffins towards any sums owing from the Buyer to Cheffins on any account whatever without regard to any directions of the Buyer, whether express or implied.

6.5 Title in a purchased Lot will not pass to the buyer until Cheffins has received the Purchase Price of the Lot in full and cleared funds. Cheffins will not release any Lot to the Buyer for collection until payment of the Purchase Price and any additional charges to the Buyer (as set out in clause 6.6) is received.

6.6 If an account remains unpaid and legal action is taken by the Auctioneers, the Auctioneers reserve the right to demand in full from the Buyer all legal and professional fees owing from such action.

6.7 The full invoice amount(s) must be paid in full before any individual Lot is released for collection.

7. Remedies for Non Payment

7.1 If any Lot is not paid for in full and collected in accordance with these Conditions or if there is any other breach of these Conditions, Cheffins, as agent for the Seller and on its own behalf, shall, at

Auction - Carr

its absolute discretion and without prejudice to any other rights Cheffins or the Seller may have, be entitled to exercise one or more of the following rights and remedies: To commence legal proceedings against the Buyer to recover the Purchase Price and any related expenses for that Lot, together with any interest and costs of such proceedings on a full indemnity basis. To cancel the sale of that Lot and/or any other Lots sold by Cheffins to the Buyer. To resell the Lot (by auction or private treaty) with reserves at Cheffinsâ€TM sole discretion. The Buyer shall be responsible for payment of any resulting shortfall in the total amount due (after crediting any part payment and adding any resale costs). To remove, store and insure the Lot at the Buyerâ€TM sole risk and expense and, in the case of storage, either at Cheffinsâ€TM premises or elsewhere. As provided by the Late Payment of Commercial Debts (Interest) Act 1998, the Auctioneers reserve the right to charge the Buyer(s) interest at a rate of 8% above the prevailing base rate set at the time by the Bank of England for any unpaid account or part thereof. To retain the Lot or any other Lot sold to the Buyer or Buyerâ€TMs agent at future auctions or to impose conditions before any such bids shall be accepted. To apply any proceeds of sale of other Lots due or, in the future, becoming due to the Buyer towards the settlement of the total amount due. To release the name and address of the Buyer to the Seller to enable the Seller to commence legal proceedings to recover the amounts due and legal costs. Cheffins will take reasonable measures to notify the Buyer prior to releasing such details to the Seller. Â

7.2 Cheffins shall, as agent for the Seller and on their own behalf pursue these rights and remedies only so far as they deem at their sole discretion is reasonable to make appropriate recovery in respect of breach of these Conditions of Business. They are in no way obligated to exercise any of the above rights or remedies.

8. Collection of Lots

8.1 All Lots whether sold or unsold may not be removed from the Saleground without a pass for the removal of Lots. Passes can be obtained from the Auctioneer's office. All Lots must be checked out by the Security Staff.

8.2 All Lots remaining unsold which are not to be entered into a subsequent Sale, and Lots which the Auctioneers have requested the Seller to collect, must be cleared from the Saleground within 14 days of the Sale in which they were last entered or within 14 days of such request from the Auctioneers to collect the Lots unless the Auctioneers expressly agree otherwise. Sales at other venues will be subject to specific conditions published in the relevant auction catalogue.

8.3 Subject to Clause 8.4 below, if the Buyer pays the Purchase Price and any related expenses but fails to collect the purchased Lot(s) within the specified time following the date of the relevant auction, the Lot(s) will be stored at the Buyer's expense and risk at Cheffins or with a third party.

8.4 Any Lot(s) which, without the express written consent of the Auctioneers, has not been collected from Cheffins saleground within 6 calendar months from the day on which it was sold or last offered for sale will be deemed to be abandoned and the Auctioneers will be entitled to dispose of such abandoned Lot(s) at their unfettered discretion. For the avoidance of doubt, any monies arising from such disposal(s) will be paid to and retained by the Auctioneers.

8.5 The Buyer shall at their own risk and expense collect any Lots for which the Buyer has paid in full from Cheffins' premises not later than 14 days following the date of the relevant auction or later with the express written consent from the Auctioneers. Sales at other venues will be subject to specific conditions published in the relevant auction catalogue.

8.6 The Buyer shall be required to show proof of purchase and identification prior to the Lot being released. Any packers or shippers acting on the Buyer's behalf will require written authorisation by the Buyer before Cheffins will release any purchased Lot to them.

8.7 All packing and handling of Lots will be at the Buyer's sole risk. Cheffins will not be responsible for any acts or omissions of third party packers or shippers.

9. Warranties and Limitation of Warranty

9.1 The Seller warrants to the Bidder that it is the legal owner of the property consigned for sale, or is properly authorised by the legal owner to consign it for sale, and is able to transfer good and marketable title to the property free from any third party claims.

9.2 Subject to paragraph 9.1 above, neither Cheffins nor the Seller is liable for any errors or omissions provided to Bidders by Cheffins, whether orally or in writing, whether negligent or otherwise, except as set out in paragraph 3.14 of these Conditions of Sale.

9.3 Subject to paragraphs 9.6 and 10, neither Cheffins nor the Seller gives any guarantee or warranty to the Bidder. Any implied warranties and conditions are excluded (except where such warranties and conditions cannot be excluded by law), other than the express warranties given by the Seller to the Buyer in the Terms of Consignment for Sellers.

9.4 Neither Cheffins nor the Seller accepts responsibility to any Bidder for acts or omissions (whether negligent or otherwise) by Cheffins in relation to the conduct of any auction.

9.5 Any claim by a Bidder or a Buyer against Cheffins or the Seller is limited to the Purchase Price in respect of the relevant Lot and shall not include under any circumstances indirect or consequential losses

9.6 This paragraph 9 shall not exclude or limit Cheffins' liability in respect of any fraudulent misrepresentation made by Cheffins or the Seller.

10. Deliberate Forgeries

10.1 Notwithstanding the Conditions in paragraph 9, any Lot which proves to be a Deliberate Forgery (as defined in paragraph 1) may be returned to Cheffins by the Buyer within 14 days of the relevant auction, provided it is in the same condition as when bought, and is accompanied by particulars identifying it from the relevant catalogue description. If Cheffins is satisfied at its sole discretion that the above criteria have been met and that the Lot is a Deliberate Forgery, the sale will be cancelled and Cheffins shall refund the money paid by the Buyer for the Lot including any Buyer's Premium.

10.2 If the Buyer is not personally able to transfer a good and marketable title to Cheffins, then the Buyer shall have no rights under this paragraph 10. The right of return provided by this paragraph 10 is additional to any right or remedy provided by law or by these Conditions of Sale.

10.3 Cheffins may require the Buyer to obtain at the Buyer's expense the reports of up to two independent and recognised experts in the field, mutually acceptable to Cheffins and to the Buyer. Cheffins shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense.

10.4 The Conditions detailed in this paragraph 10 will also apply to purposely hidden repairs and incomplete Lots where the incompleteness is not evident from an external inspection.

11. Export and Licensing

It is the Buyerâ erms sole responsibility to identify and obtain any necessary licences for a Lot, including but not limited to export and import. Cheffins and the Seller make no representations or

warranties as to whether any Lot is or is not subject to export or import restrictions. The denial of any licence permit shall not entitle the Buyer to cancel the sale contract or delay payment of the Lot. 12. Entry to the Sale Site

12.1 Any person entering a Sale Site does so entirely at their own risk. No person shall have any claim against the Auctioneers, their agents or employees for any injuries sustained nor for any damages to or loss of property which may occur from any cause whatsoever.

12.2 Any person entering a Sale Site must comply with the requirements of all Health and Safety notices.

12.3 The Auctioneers reserve the right to refuse admission to any person or entry of any Lot(s) into a sale without giving reason.

12.4 Anyone attending who damages a Lot, whether intentionally or negligently, will be held liable for all resulting damage and will pay or reimburse the Auctioneers in full to rectify the same.

12.5 Sellers and Buyers do not, in any event, have the right to claim for loss or damage to property under Cheffins' insurance policy.

18.5 Any notice to any Buyer, Seller or Bidder may be given by first class mail to the last address of which Cheffins have been formally notified and shall be deemed to have been received by the

addressee 48 hours after posting. Any notice to Cheffins by the Buyer, Seller or Bidder should be in writing.

18.6 Any extension or waiver of any provision of these Conditions of Business that may be granted to Buyers, Sellers or Bidders by Cheffins for a specific Lot shall not have any consequence on the

enforceability of these Conditions and in all other respects these Conditions shall remain in full force and effect. Should any provision of these Conditions of Business be deemed unenforceable for any reason, the remaining provisions shall remain in full force and effect.

18.7 These Conditions of Business are not assignable by any Buyer or Seller without Cheffins' prior written consent, but are binding on the Buyer's and Seller's respective successors, assigns and representatives.
